Re: Formal Approval of Form and Amount of Reclamation Surety, Georgia Pacific Corporation, San Rafael - Eagle Canyon Gypsum Quarry, M/015/050, Emery County, Utah

Dear Mr. Shajary:

On September 28, 1994, the Board of Oil, Gas and Mining formally approved the form and amount of reclamation surety (\$50,000) for Georgia Pacific Corporation's San Rafael - Eagle Canyon Quarry in the form of a Surety Bond (# ~~11S100856061~~) issued by Aetna Casualty and Surety Company. This bond is held jointly by the Division and the Bureau of Land Management (BLM).

Enclosed please find copies of the fully signed and executed Reclamation Contract and surety bond forms for your files. We are releasing the \$30,000 surety bond # ~~11S100856061~~ and returning it to Sue Worley (at her request) of your Atlanta, Georgia office. We will provide a copy of the new reclamation surety bond to the BLM and notify them that they can release the \$20,000 surety bond they have in place for this project.

Thank you for your time and efforts in helping finalize this permitting process.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program
